**First Annual Beaux Arts Fair and Wine Tasting
Festival to be held**

*Event is offered during the week long celebration of
French Lick's Sesquicentennial*

FRENCH LICK - The first annual Beaux Arts Fair and Wine Tasting Festival will be held October 6 from 9 a.m. - 5 p.m. Held on the spacious, tree-shaded grounds of the French Lick Winery, the fair will showcase a wide range of styles and media. This event is held in conjunction with the French Lick Sesquicentennial, the town's celebration of its 150 years of existence.

Artists throughout surrounding counties, including a number of Brown County artists, have requested applications for the first annual event. Tourists and residents are welcome to visit artists' booths and view a wide variety of paintings, prints, art photography, ceramics, metal art, jewelry, glass art and fiber art. Visitors can select a special gift or treat themselves to one-of-a-kind art work to display in that empty space in their home.

Across the lawn from the fair, the French Lick Winery will also host a wine tasting festival featuring their specialty wines made in Orange County. Patrons may taste wine, have lunch or dinner in the Winery's Vintage Café or browse the gift shop.

Other Sesquicentennial events include a queen's ball, fashion show, poker run, air show, golf tournament and the Orange County Pumpkin Festival. For more information on the Beaux Arts Fair and Wine Tasting Festival or other events, [CLICK HERE](#).
